

FOR IMMEDIATE RELEASE

MAURICIO FERNANDEZ JOINS INTERARC

Miami, Florida – May 9, 2011

Interline Archeology, Inc. dba InterArc has named Mauricio Fernandez as Chief Operating Officer replacing Sandro Francini who has departed the company to pursue other business interest.

Mauricio will be responsible for managing client relationships and assisting the launch of new clients as his top priorities.

Guy Booth, InterArc CEO, made the announcement today and commented: "We are extremely fortunate and pleased that someone with Mauricio's experience and background in the airline business has joined our team".

Mauricio brings a wealth of experience and professionalism with an extensive experience in the airline business having served in executive positions with National Airlines, Pan American World Airways, Piedmont Airlines and US Airways. He spent 20 years with US Airways in management and marketing in the Latin American and Caribbean region. Mauricio was instrumental in developing interline relationships with airlines from the region on behalf of US Airways.

"Mauricio is a perfect fit for InterArc's business to manage client relationships and assist in efforts to add new clients and we are pleased to have him join the team" said Booth.

About InterArc: InterArc provides a revenue protection service assisting airlines to improve cash flow and collection from interline billings. InterArc fees are success based with no up-front costs to airline clients. InterArc provides in-house web-technology for clients to view revenue protection in real-time utilizing specially trained analyst in the discovery of bottom-line income. InterArc is an IATA Clearing House member and an IATA Strategic Partner.
